"They will celebrate your abundant goodness and joyfully sing of your righteousness." ~Psalms 145:7 NIV

**Carole Brewer passionately reflects lasting expressions of God's love. Her unique presentations are a seamlessly interwoven blend of dynamic, heartfelt messages and Carole's beautiful songs of worship. Audiences will connect with Carole and take with them hope, encouragement, life-transforming truths, and a rekindling of love for our Lord, Jesus Christ.**

### Carole's Story

Born cross-eyed and legally blind in her left eye, Carole was ridiculed in elementary school for her outward appearance. Her eye was straightened through surgery at age nine, but her heart was not. Carrying past hurts from childhood into her early adult years, Carole lacked the self-confidence and sense of purpose that only a personal relationship with Jesus Christ can bring.

During her senior year of college, Carole opened her heart to the truth of God's Word, surrendered to His will, and received her esteem as an heir in Christ. Today, using her gifts of speaking, writing, and music, Carole beautifully expresses the new life she has found in Jesus Christ, greatly encouraging the hearts of others.

Carole's solo CDs encompass her wide variety of music styles and songwriting.

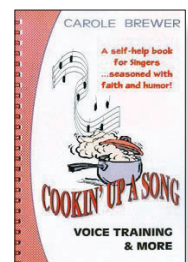

### Experience

With effervescence, Carole has shared her speaking and music on Christian television programs, with speakers Carol Kent and Joni Eareckson Tada, and for church ministries in Canada, Germany, Denmark, Iceland and in many regions of the U.S.

Carole is a contributing writer to three popular books and the author of *Cookin' Up a Song*.

As a singer and pianist, Carole's wide variety of music styles and songwriting are represented in her four solo CDs: *Celebrate the Lord*, *Everything Began With You*, *New Life*, and *The Work of Your Hand* (Servant's Heart). Also a creative writer, her stories have been published in *WT Online*, *Inspired Women Magazine*, *Jubal Magazine*, *iLevite*, and in three books: *Give Thanks!* (Essence Publishing), *Kisses of Sunshine for Teachers* (Zondervan), and *Conversations on Purpose for Women* (Zondervan). She is also the author of *Cookin' Up a Song* (JW Brewer Music), a very popular and inspiring self-help manual for singers.

Carole has a BA in Music, an MA in Education, four teaching credentials, and a Diploma in Professional Modeling. Her Biblical studies include training from Bible Study Fellowship, Community Bible Study, Women of the Word, and Capital Bible Institute.

Carole and her husband, Jan live in Sacramento, California serving together in their home church and in a variety of ministries under the guiding hand of our Lord, Jesus Christ.
